Contact Stefan Schlesinger, MA

If you are making an initial contact with me, I prefer that we speak on the phone to arrange a consultation and to answer any brief questions you may have. Questions about counseling are unique, and often I will need more information in order to understand and answer your questions.

An e-mail conversation is not an effective use of my time for you. However, feel free to leave your phone number and best times to reach you on an e-mail message.

I look forward to hearing from you,

Stefan
